With a few modifications, you can enjoy activities such as reading, playing cards, spectator sports, crafts, or woodworking.

- **Reading**: Keep reading with large-print, audio, or braille books and magazines, e-Books, and newspapers. Learn more at visionaware.org/GSreading.

- **Woodworking**: Learn how to start or continue this hobby at visionaware.org/GSwoodworking.

- **Home Repair**: Continue to do your own home repair projects. Find out how at visionaware.org/GSGilsguide.

- **Arts and Crafts**: Enjoy sewing, painting, pottery, beadwork, and other crafts? Then visionaware.org/GScrafts is for you!
Having Fun!

www.VisionAware.org

- **Cards and Board Games:** Keep playing cards and bingo, or board games like Scrabble and checkers. Learn how at visionaware.org/GSgames and visionaware.org/GShelpfulproducts.

- **Computer Use:** Use your computer for fun and work with a screen-enlarging or screen-reading program. Discover how at visionaware.org/GScomputer.

- **Gardening:** Find tips on organizing plants and container gardening at visionaware.org/GSgardening.

- **Social Activities:** Go to museums, concerts, sports, and other activities. Discover how at visionaware.org/GSculture.
